All sales shall be concluded on the fall of the hammer or as indicated by Auctioneer and no buyer may thereafter revoke his bid.

matter how small or how far the purchaser has to travel, may be removed until the close of the auction sale. Where available, documents of transfer, including motor vehicle ownership documents, will be provided within 30 days following the auction or as soon thereafter as such documents are available. CMA Auctions makes no warranties that such documents will be available. Any available titles shall not pass to Buyer until full payment is received.

No purchaser may assign, transfer, or dispose of his rights in any article purchased before he has paid the purchase price in full.
18. If any applicable conditions are not complied with by Buyer, then, in addition to any other remedies available to Auctioneer, including and without limitation, the right to hold Buyer liable for the total purchase price, Auctioneer may, at its option, (a) cancel the sale, retaining all payments made by Buyer, including any deposit made, as liquidated damages and/or (b) resell the merchandise at public auction in which event Buyer will be liable for the cost of removing and reselling the abandoned merchandise, for any deficiency between Buyer's original purchase price and subsequent resale price, Auctioneer's commission, interest rates (a minimum of 1.5% per month or 18% per annum), legal fees, moving and storage (a minimum of \$2.00/sq.ft. per month) and all other expenses related to the disposal or reselling of the abandoned property. In addition, Auctioneer may retain any merchandise purchased at auction by a defaulting Buyer as collateral security for Buyer's obligations to Auctioneer.
19. **Buyer is solely responsible to provide any personnel, equipment or materials needed to pick up purchases** and shall assume all responsibility for the removal of any item of property purchased at the sale and any and all risks associated with such removal including, without limitations, the responsibility for providing **LICENSED AND BONDED** professionals to ensure proper water, gas and/or power disconnection, disassembly, removal and loading and full financial responsibility for any damage or liability to persons or property resulting from any negligent act or omission of Buyer or Buyer's employees, agents and/or representatives during pick-up and removal.
20. Buyer agrees that in the event purchased merchandise contains any environmental hazards, toxic waste or other type of hazardous material in any form whatsoever, Buyer shall provide evidence that Buyer or its representatives are licensed for such removal and shall comply with all applicable local, state and/or federal rules, laws and regulations. Auctioneer, its agents or representatives will not be responsible for its containment, storage or removal.
21. Persons in attendance during the inspection, sale or removal of merchandise assume all risks of damage or loss to persons, property, or merchandise and shall exercise proper precautions at all times for the protection of persons and property and shall comply with all safety and health requirements as directed by Auctioneer, and local, state and federal regulations. Auctioneer, its agents, its employees and representatives shall not be liable by reason of any defect in or about the condition of the premises on which the auction is held. Buyer specifically releases Auctioneer, its agents and representatives from all liability thereof.
22. All risks of loss shall pass to Buyer at the time of payment. If Auctioneer is unable to deliver an article sold to Buyer due to fire, theft or any other reasons whatsoever, Auctioneer shall reimburse Buyer for all monies paid to Auctioneer in respect to the article and Auctioneer shall have no further liability to the purchaser arising from or relating to such loss, including without limitation any damages for loss of profits.
23. **In no event shall Auctioneer's liability to Buyer exceed the purchase price actually paid.** A buyer's claim shall be limited to the amount paid for the merchandise, and shall not extend to any obligation; risk; liability; right; claim; remedy for loss of use, revenue or profit; liability of Buyer to any third party; personal injury; or any other direct, indirect, incidental or consequential damages. Auctioneer is acting as an agent only and is not responsible for its clients
24. Buyer agrees to indemnify, defend and hold harmless Auctioneer, Seller and their agents and representatives, from any and all demands, claims, losses, damages and liabilities (including attorney's

fees) asserted against, resulting to or imposed upon Auctioneer or seller resulting from the negligence of Buyer or his/her employees, agents and representatives, while in, at or about the auction premises during inspection, sale or removal of merchandise.

25. CMA Auctions shall have the right to make image and audio video recordings of the auction, to use said recordings at its own discretion, and if deemed appropriate to make them public. Participants give their permission by participating in the auction.
26. The bidder's paddle is nontransferable. All bids made by the holder of the paddle will be Buyer's responsibility. A successful bid at auction constitutes a legally binding contract of sale. Auctioneer reserves the right to refuse any applicant the privilege of bidding or attending the auction and may revoke such privilege of bidding or attending the auction AT ANY TIME.
27. This sale transaction shall be governed by and construed in accordance with local laws of the State of California, USA. If any provision of these Terms and Conditions shall be held invalid, illegal, unenforceable or inoperative, the balance of Terms and Conditions shall remain in full force and affect as if such provisions had not been included. These Terms and Conditions with any amendments or modifications expressly made by Auctioneer at the time of the auction constitute all the terms and conditions with respect to the sale of articles at this auction. There are no representatives, warranties, terms, conditions, undertakings or collateral agreements except as herein provided.
28. Bidders acknowledge that an auction site or the seller's site is a potentially dangerous place. Flammable, noxious, corrosive and pressurized substances may be present. Heavy equipment may be operated and electrical circuits may be live. Every person enters such site at his or her own risk with notice of the condition of the premises and the activities that will be or have been conducted on the premises. Bidders shall so advise their agents and employees. No person shall have any claim against Auctioneer, The seller or their respective agents or employees for any injuries sustained or for damages to or loss of property that may occur at such site.
29. It is the buyer's sole responsibility to meet all governmental safety and environmental standards in removing, shipping and using purchased items. Certain of the items for sale may contain "hazardous substances", as that term is defined under federal, state or local environment laws and regulations. Auctioneer has no duty to remove any hazardous substances that are contained in or are a part of any item. Buyers agree to defend (by counsel satisfactory to Auctioneer) and indemnify Auctioneer and Seller, and hold Auctioneer and Seller harmless from and against any claim, demand, cause of action, liability or expense (including attorneys' fees and costs) asserted against or incurred by Auctioneer or Seller in connection with the sale, removal, shipment or use of any purchased items.
